2010-2011 THE ANDREWS SCHOOL ALUMNAE ASSOCIATION
LEGACY SCHOLARSHIP APPLICATION

The Legacy Scholarship is intended to help with tuition for family members of The Andrews School graduates in grades 6-12. The Andrews School Alumnae must have graduated before June 30, 2007 and be current with The Andrews School Alumnae Association dues (\$15/year) in order for the legacy to be eligible to apply for the Legacy Scholarship. These scholarships continue the Andrews tradition of helping students. For the purposes of these scholarships, an Andrews School graduate is a Mother, Grandmother, Sister or Aunt who graduated before June 30, 2007. The scholarship committee of The Andrews School Alumnae Association Board will make the selections. The amount of these scholarships is dependent on the amount of funds raised at the luncheon and the number of students who apply.

It is important to put faces to the scholarship recipients for those who generously donate their money and time to the scholarship fund. Legacy scholarship recipients will be required to help the Association for 5 hours of community service. The events include the annual luncheon. The annual luncheon raises money for these wonderful scholarships. This year's annual luncheon will be Saturday, September 25, 2010. Duties may include stuffing envelopes, serving punch, or assisting during the events.
